CHILDREN'S RECREATION CLUB

Welcome!

We are thrilled to have your child join our camp this summer!

Your child will have the benefit of participating in field trips and weekly themes, being supervised by trained professionals, and receiving nutritional meals and snack! This year we are excited to announce that children may bring their lunches should they choose!

Our program includes a wide variety of activities in a flexible, compassionate, and exhilarating environment. Some of these activities include, but are not limited to, outdoor and indoor activities, sports, arts and crafts, and various field trips throughout the summer.

Please complete and return all forms listed on your enrollment checklist.

Be sure to sign the online waiver form for SkyZone!

Our weekly fee is \$110.00 per child.

Two weeks unpaid vacation are allotted for the summer. Check your CRC Family Handbook for our definition of a vacation week.

Part-time spots are limited!

What about activity fees?

Here at the CRC, we do not charge a lump sum activity fee!

There will be some activities this summer that will require a fee to participate in. What if your child does not want to go? What if you are on vacation? The answer?

YOU DO NOT HAVE TO PAY FOR THEM!

No one wants to pay for activities their child isn't attending! Bring your activity fee with you the morning of the trip!

If your child has a Knights Action Park pass, they may be used for our trips to the water park!

Running our program this way takes a little extra time, effort, and makes it a little more difficult. But helping our families everything worth it!
